

Let's Blend® Finely Diced Mushrooms

A Versatile Ingredient

Originally designed to blend seamlessly with meat, our Finely Diced Mushrooms serve equally well as a direct ingredient.

Easily enhance your recipes with our pre-chopped, pre-cooked mushrooms. Upscale your menu and increase your menu's appeal for customers looking for tasty vegan, vegetarian and plant-forward entrées. Parents looking to hide veggies on their children's plates will appreciate clever uses of this ingredient.

It's never been easier to add veggies to the plate!
