

QUALITY MUSHROOMS IN A CAN

Did you know that you can substitute canned mushrooms for nearly every application that you would use Fresh Mushrooms? Add umami flavor without worrying about SHRINK. Consider canned mushrooms for Pizza, Burgers, Soup, and Pasta. Shelf stable mushrooms are easy to order, easy to store, and have a long shelf life. To reduce the sodium content, drain and rinse before use.

These canned mushrooms are available to foodservice distributors, and select grocery stores, and can be delivered directly to you. Please use the contact information below to see how you can start saving with our canned mushroom products today!
